D.A.R.E.

D.A.R.E. (Drug Abuse Resistance Education) is an elementary program taught by School Resource Officers centered around teaching students good decision-making skills to help them lead safe and healthy lives. One of our 5th grade classes successfully piloted the D.A.R.E. program virtually in January. We are in the process of working out a schedule with the Sheriff's Office to provide this instruction for each of our 5th grade classes during 2nd semester.

: Keep in the loop with activities from your home school by reviewing their respective weekly newsletter! Students can see updates from their school on their Schoology page. Be sure to check these frequently to stay up to date on activities, events, and important dates from your home schools!
