End of Year Events for Elementary Students:

- **5th Grade Recognitions:** At all schools, both online and face-to-face, “promotion” activities for 5th grade students are being conducted in the classrooms. 5th grade online students will participate in a classroom ceremony on the morning of the final day of school, Thursday, June 17th. One portion will be recorded and the other will be live with the teacher. We will also be holding a 5th grade fun day for our students during the school day on Monday, June 14th. Classroom teachers will share information on this with their classes. Students will begin and end the day with their teachers and have many choices of fun activities and social time in between. Some home schools are also doing other activities such as drive through events; OWL students are invited to participate in all activities that occur outside of the school day. For questions related to home school events, please check the information posted on [home school event pages](#) or reach out to your home school directly.
