How much does my plan pay?

| | |
|--|-----------------|
| Total cost: | \$194.44 |
| Your cost for this medication: | \$130.00 |
| What your plan pays for this medication*: | \$64.44 |

Your plan pays approximately **34%** of the cost for this medication.

*The cost to your plan does not include any rebates or other incentives your plan may receive from your use of this medication. Express Scripts may retain or share some rebates with your plan. The cost your plan pays is an approximation and is subject to change.
