

# 2017 SCHOOL PROFILE

## Mechanicsville Elementary

### DEAR PARENTS AND COMMUNITY FRIENDS:

The School Profile Fall 2017 issued by the Hanover County School Board for each school in the county complements the Virginia School Report Card prepared by the Virginia Department of Education. The Profile offers a comprehensive picture of the school by providing highlights of our students, our school, our teachers, and our parents. Unless otherwise noted, all data reported are from the 2016–2017 school year. We want to present a broader, more detailed view of your school—data about achievement tests, activities, technology, community involvement, and other attributes. You are welcome to visit or call any of our schools or the State Board of Education to obtain additional information, discuss a suggestion, or share a concern.

Thank you for your strong support of our school system.

Sincerely,

A handwritten signature in black ink, appearing to read "Michael B. Gill".

Dr. Michael B. Gill, Superintendent of Schools

# HIGHLIGHTS

- Mechanicsville Elementary School exceeded the state benchmarks for accreditation for the 2016-2017 school year.
- Mechanicsville Elementary School participated in the Boostherthon Fun Run for the first time. This program promotes fitness and character development. We received donations from 24 local businesses, and we had enormous family participation as well. All proceeds will go to developing our Innovation Lab, classroom supplies, school beautification and a new marquee.
- Mechanicsville Elementary School partnered with Mechanicsville Church of Christ. They supported our school by beautifying our gardens and built 4 picnic tables for students, staff and families to enjoy. They also recognized our teachers throughout the year to thank them for their wonderful work.
